12 The Superintendent Government Museum having submitted proposals to revise the scale of pay of the establishment of the Government Museum, the question came up for consideration before the Council on the 12th July 1917, when it was resolved that on account of the general increase of work and in view of the fact that the officials have no chances of promotion, the scale indicated in column 4 of the statement given below, which shows also the existing scale and the scale proposed by the Superintendent, might be sanctioned:-

Assistant Curator is against the general principles accepted by Government in their order No.Fl.6772-821/G.F.154-16-2 dated the 24th April 1917, but acquiesces in the views of the Council.

The Superintendent,

To,

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Departments,
Bangalore.

Sir,

I have the honor to invite kind reference to correspondence ending with my letter No.227 dated 8th June 1916, regarding the grant of certain increases to the salaries of the Museum Staff. It is now more than 17 months since Mr.G. H. Krumbiegel submitted his recommendations. I understand that Government have been pleased to sanction recently a liberal scale for several offices and departments in consideration of the increase in the work of their establishment and of the change in the conditions of living. I request that Government may be gracious enough to extend a similar treatment to the poor employees of the Museum and sanction in entirety the recommendations contained in letter No.34 dated 18th August 1915 with effect from 1st July 1916.

2. I request that the necessary provision may be made in the next year's budget for the additional amount viz., Rs.672/-. As regards the expenditure for the current year, I beg to propose that the same may be kindly met by a special grant.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Superintendent.

Dear Sir,

With reference to your letter No. 1356 of date asking me to suggest the source from which the extra cost involved by the sanctioned revision of the Museum Establishment may be met, I beg to state that it is not possible to meet this from any grant under any head in the Budget of the Garden Department. Of the Rs. 15, 000/- referred to in your letter under reply, nearly a sum of Rs. 13, 000/- has already been reappropriated and the balance is hardly sufficient to meet the absolutely necessary expenditure for completing the incomplete works of last year.

Yours sincerely,
